

Tech Talk

EPISODE #2

**Thursday, September 11th
11 AM-12 PM EST**

Philip J. Vincenzes
Chief Technology Officer
9th Way Insignia

Join us for a conversation about current industry trends in technology and government contracting, career advice, and more in Episode #2!

Philip J. Vincenzes is a technology executive with over 40 years of leadership in software engineering, advanced analytics, automation, and innovation for clients ranging from start-ups to Fortune 100 companies. As Chief Technology Officer at 9th Way Insignia, he leads technology strategy, research, and solution development for Federal agencies, including the Department of Veterans Affairs, U.S. Patent & Trademark Office, and Department of Defense. His work spans cybersecurity, healthcare, cloud computing, data science, and artificial intelligence.
